Reference: Amended February Monthly Report (1/1/05-1/31/05), received 12/5/05

Dear Mr. Nelson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your amended report fails to disclose debts previously itemized on your 2005 February Monthly Report, received 2/19/05. Please be advised that when amending an electronically filed document, you must submit a complete version of the report, rather than just those portions that are being amended. Please resubmit your report to include any omitted activity or provide clarifying information as to why this activity was omitted from this amended report. 11 CFR §104.18(f)

-Line 22 of the Detailed Summary Page of your report discloses a total of \$19,934.50 in transfers to affiliated committees. The sum of the entries itemized on Schedule B, however, indicates the total to be \$18,262.00. Please amend your report to clarify the discrepancy.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
